

Product: Organic Desiccated Coconut

Manufactured In: Philippines

Certifications: USDA/NOP Organic

Quality Parameters:

This product is produced and process under hygienic conditions following HACCP protocol. The product is not irradiated, treated with sewer sludge, or produced with genetically modified materials.

Process Description:

Organic Desiccated Coconut is produced from the meat of organic coconuts. The processing steps are: cracking the coconut, removing the husk and shell, grating the meat, drying the meat, inspection and packaging.

Packaging:

25lb, 50lb and 100lb. Polyethylene-lined multi-layer kraft paper bags

Storage:

Store product at less than 15-21C and Relative Humidity 20-50%. Product should be stored on pallets in an odor-free environment out of sunlight.

Shelf Life:

12 months from production when stored under recommended conditions. Under ideal conditions, the coconut product will exhibit no rancidity or moldy taste up to the end of the storage period. Development of slight off-coloration does not affect the wholesome quality of the product.

Label Declaration:

Organic Desiccated Coconut

Allergen Statement:

This product contains coconut.

Ingredients:

Organic Coconut

Physical Properties:

Flavor and Aroma: mild fresh coconut with no off flavor

Color: white to light creamy white

Vegetable matter in form of fiber from parings and burnt particles < 10pcs per 100g.

Analytical Properties:

Moisture (%): <3
